ED'S LETTER

club DVD 9.3

We killed the environment to bring you this issue, taking in Britain, Europe, America and some other continents too. A great interview with rising star Nikki Delano, the cream of the porn world clocked in action in two on-set reports and photo spreads from some of the finest glamour and porn girls out there. We'll do our penance by building a wind turbine on the office roof, but we're sure you'll agree that all those air miles were well worth it...

SMOO NEWS

FROM THE WEIRD WIDE WORLD...

PLAY AWAY!

House prices may be booming in Britain, but so is adultery! Randy married couples want a sex life that doesn't involve timing orgasms for the commercial break in *Coronation Street* but can't afford to split up and lose the house. So if there's one upside to 200 grand broom cupboards and fucking Foxtons cars in your parking spot, it means bored housewives and husbands are having it large in the Travelodges of Britain. And the capital of extra-marital bliss? Maidenhead in Berkshire, where figures from an illicit dating website suggest 1,316 people are cheating out of a population of 63,000. The Home Counties in general are hotbeds of adultery, with Bracknell, Farnborough, Aldershot and Gosport all hitting the top ten, a fact the website puts down to affluent, middle class married people seeking crazy, no-holds barred excitement. One reason they all vote UKIP too perhaps.

GUMMY DUMMY!

A woman was left with third degree burns when her enthusiastic boyfriend poured a massive molten gummy bear on to her naked body. Idiotic Michael (last name withheld) melted the five-pound gummy bear sweet (equivalent to 1400 little ones) in the microwave as part of a gloopy, kinky sex session but found himself taking squeeze Josi to the emergency room when it took the skin off her boobs. Michael perhaps forgot that prison inmates notoriously chuck boiling sugar water over each other (as it sticks to the skin and causes more damage), or maybe his next kinky session with Josi will entail putting broken glass in her dinner and bumming her in the shower before cutting her throat with a shiv made out of a Biro.

I said spank my bare arse, not my arse with a bear!

HOME TO ROOST!

Mornings are about as welcome to us as a punch in the face and a screaming match (which is exactly what happened this morning, actually). But there is another way, a more pleasurable way – for the fairer sex at least. Tony Maggs is the creator of the Little Rooster, an exquisitely designed orgasmic alarm clock with a slender neck that fits snugly between a sleeping girl's legs and pubic bone.

Set the alarm and the user will awake to a pulsing clitoral orgasm. Universally lauded and with sales going through the roof, it looks like the espresso and cigarette, the shit and shower and, yes the punch and the screaming match, may soon be the morning routines of the past.

GEEKS CORNER! WITH JOEL

Superb news this month for all virtual crate diggers as Southern Lord finally unveil their long awaited European webstore. This is a welcome alternative for those facing the increasing price of US shipping, and not only does *southernlordeurope.com* stock a huge stack of their highly sought-after wax they also distribute items from their sister label Ideologic Organ – as we go to press they still have copies of Sleep's classic *Dopesmoker* on two slabs of green wax as well as an exclusive European orange vinyl edition of Sunn O))) & Ulver's latest, *Terrestrials*, get online now and don't miss out!

Also out now is the debut from USA Out Of Vietnam, who inject an insane melange of prog-pop into the doom genre on their album *Crashing Diseases and Incurable Airplanes* – what begins in the genre's darker recesses soon rises into anthems of major key riffage bringing to mind a psychedelic omnibus crash involving ELO, Fang Island and Wolves in the Throne Room, utterly exceptional!

Last this month – but by no means least – comes a handy reissue for Torch Runner's 2012 album, *Committed To The Ground*, which finally gets a CD edition. Great news indeed as a whole raft of new tracks are promised to follow this autumn, so this makes the perfect time to reacquaint yourselves with their crushing brand of black metal laced hardcore!

LONDON club DVD MAIL BAG

Dear Club DVD,
I must be one of the few people who still do not have access to the internet, so I rely on magazines and DVDs for my pornography – and I have to say that *Club DVD* is one of my main resources in keeping up with who and what is new. I wouldn't know of half the porn stars – or the movies they star in – if it wasn't for your hard work! However, I have one tiny complaint, or suggestion, for you; not everyone knows the lingo when it comes to types of porn movies (of which I am obviously one!) and I wondered if would be possible to do some sort of glossary. You could even include them in the Tossary! I bought a DVD that was in the 'reality' section, but it wasn't at all what I expected – I thought it would be normal people having real sex, but instead I was faced with well-known porn stars acting like they didn't know each other! I would be grateful for a little guidance! Many thanks to you, gentlemen!
Yours sincerely,
Gordon W, S. Wales

We aim to please, Gordon, and are very glad to hear you enjoy reading our little publication! It sounds to us like you were after a bit of amateur porn, rather than reality, however, if you turn to page 82 you'll see that we've dedicated this issue's 6 Of The Breast to porn genres – just for you! And if that wasn't enough, you will find part 2 of the article in the next issue! Hope it helps, Gordon!

Dear Club DVD,
I've got a dope Tossary word for you! Post Office Sex = Lick her, stick her, then send her on her way! You can have that one for free!
Snitch, via email

Cheers Snitch. You wouldn't be after my job, now, would you?

Hi Club DVD,
Despite never having heard of her before, I really enjoyed your interview with Brooklyn Chase. It was refreshing to see someone being so honest about their likes and dislikes – usually it's all, "Oh, I love swallowing!" whereas she said it's something she doesn't like doing. Fair play to the girl! I'm surprised she's managed to do so well (especially in gangbang movies), as swallowing cum and being poked up the arse is pretty much commonplace these days, isn't it?
Owen, Darlington

It does seem to be, Owen, yeah. That's how we all got our jobs, anyway! We like Brooklyn, too – but if you haven't seen her in action yet, you're missing out! We'd highly recommend Wicked Pictures' *Wicked Nurses* and *Big Busty Workout 2* from Zero Tolerance… For obvious reasons!

Dear Club DVD,
I have to agree with Roger K. in your last issue, about Sophia Knight. She is quite simply the sexiest woman alive! She looked so fit in that man's shirt I had an instant rock-on! And the photos of her pussy all lathered up were so hot that I had to cut them out and stick them on my wall! She always has that stuck-up air about her, like she'd make you sanitise your dick before she'd let you fuck her, then she'd throw you out as soon as she's done with you. Don't you think? Cheers,
Blake, Plymstock

Yeah, we think that may just be a fantasy of yours, Blake? What's that phrase, umm, oh yeah, too much information? We're not sure about the last bit of your letter, but we certainly agree that Sophia is, indeed, one of the most beautiful British girls around right now. We definitely would.

Beaner – We can't think for the life of us why a blowjob would be nicknamed a beaner, but it is – answers on a postcard, please!

Tragic Chub – A Tragic Chub is something everyone must have suffered from, surely? Applying to both men and women, it means to get an erection (or a wide-on, in a bird's case) when you absolutely cannot do anything about it. Whether the bumpy train ride is making your missus wet or that hot chick that serves your coffee gives you a boner-inducing smile, if you're horny at a really opportune moment, I'm afraid you are suffering from a tragic chub.

Chewbacca – AKA the Mitt Mop and referencing the hairy growler from *Star Wars*, this is a slang term for just that – a very hairy growler.

Stimp – More commonly known as a semi-on, a stimp is that state of half-arousal – it's getting hard but it's still too soft to do anything with it!

Hat Trick – In football terms, a 'hat trick' is used to describe three goals scored by the same man in one game; in sexual terms, a 'hat trick' is used to describe three holes filled by the same man in one game. We assume no further explanation is needed…

Antiohilia – Even back as far as Noah's questionably miraculous ark, people feared floods – quite rightly, really, as they aren't overly nice things, right? Aha! That's where you're wrong, you see! There is a small section of the population that don't fear being flooded at all; quite the opposite, in fact, as the mere thought of the rising water gets them all hot and bothered. Oh, and obviously the term for getting turned on by floods is antiohilia – and yes, it is spelled right!

Road Head – Imaginatively titled, the term 'road head' is used to describe the act of getting a blowjob while driving a car. But, being the responsible adults we are, we're not saying that this feels amazing nor are we telling you in any way that you really should try this.

Windmill – Having never done one of these ourselves, we'd love to know how a woman would actually react to this! To perform a windmill, you first start to swing your balls in a circular motion (clockwise or anticlockwise) like a windmill, then, when you've gained enough speed and momentum, slap your missus in the face with them. We reckon that's got to be at least two nights condemned to sleeping on the sofa!

Backdraft – Opinions differ as to whether a backdraft occurs during or after the event, but either way, it's not pleasant. So, you're either giving, or you have given, your partner a good fucking up the wrong 'un, when the unfortunate happens – they fart. Although we guess it's par for the course with anal sex, we're glad we've yet to experience one ourselves!

Mechanophilia – It's well known that some men simply love their cars, but it's slightly less known that some of those men also physically love their cars. Although mechanophiliacs can worship and fantasise about said vehicle without having to take it any further, others have been known to try to consummate the relationship.

Sportsman's Gap – In order to have a Chewbacca you first have to have a sportsman's gap. And that means being female! Yup, it's another bit of slang for twat. And no, we don't mean David Cameron.

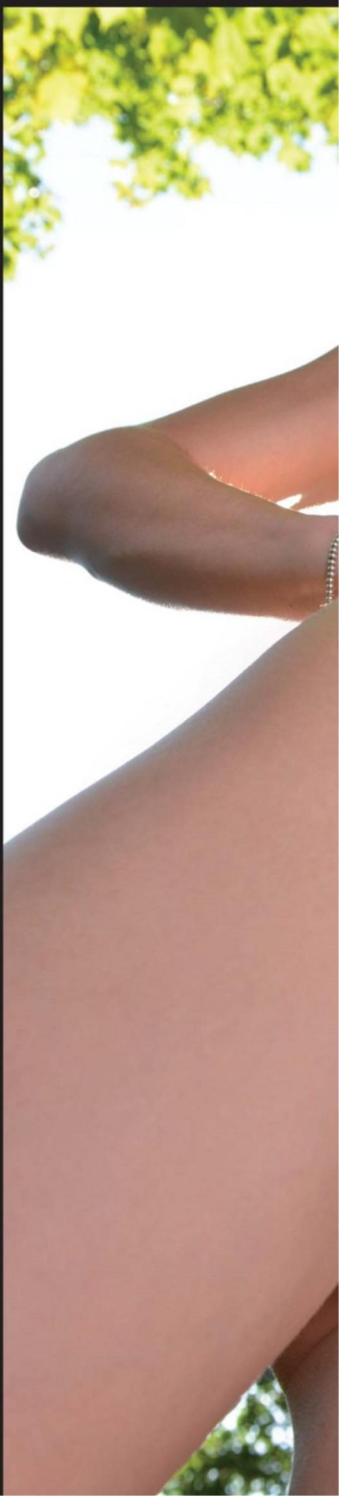
CHLOE



Rising British babe Chloe got to go to Spain for a nice few days for these photos, leaving us behind freezing our balls off in windy Britain.

"Yeah, it was nice," she giggles, "getting naked outside is no fun in March in England. In Spain? It's bloody lovely. I even got a wolf whistle or two from a few Pedros who were lurking in the bushes!"

Getting Schooled

With help from her neighbour, James Deen, Alektra Blue decides it's time to dive back into the dating pool and break her five years of celibacy after discovering her long-term boyfriend was a cross-dresser. Now submerged in a seedy cesspool of sexual perverts, otherwise known as the online dating scene, Alektra is determined to put on a brave face and open herself up to the possibility of love. However, with so many bad apples in the barrel, will she ever find a sweetie worth sinking her teeth into? After several sexual misadventures spin her in circles, could it be that true love was right under her nose the entire time?

This is the comedic conundrum concocted in *Getting Schooled*, director Jonathan Morgan's latest lesson in love that will leave you in stitches. Perfectly conjoining the excitement of casual sex with the intimacy of finding true love, Morgan has all the bases smothered and covered. Shot across five scorching scenarios that are strengthened by a witty script and first-rate performers, you'd be hard pressed in finding a couples-friendly production that is not only stimulating for her but is ultra hardcore for you. With sidesplitting hilarity and plenty of hardcore heat, are you ready to Get Schooled? The bell has officially rung. School is now in session!

Starring: Alektra Blue, Christy Mack, Jessa Rhodes, Kaylee Brookshire, James Deen, Prince Yahshua, Ryan McClane, Tommy Gunn.

Directed By: Jonathan Morgan.

Available From: Wicked Pictures.

GETTING
SCHOOLED

The movie opens with Alektra Blue stumbling into her neighbour, James Deen, in the hallway of their apartment building. After some friendly banter ensues, James becomes a bit concerned that it's Friday night and Alektra is all alone once again. Deciding to stick a pin in it and get to that problem later, he bum rushes the front door of his apartment in search of his pussy du jour, Jessa Rhodes. After checking under the tables and around his kitchen, James becomes startled when Jessa pops up behind him like a jack-in-the-box, wearing a skimpy tube dress that shows off her curvy body and splattering of colourful tattoos. The game is on!

"Do you want some candy?" Jessa purrs, lowering

the top of her dress so that her natural tits shake and shimmy across her tanned chest.

"I'd love some," James growls, grabbing her by the small of her waist and placing her on the countertop of his wet bar. Feeling his way around her body with his hands and tongue as if she were a sheet of Braille to be memorized, James expertly fondles every inch of her frame. Thrusting her long mane of blonde hair back, we can all tell that Jessa is feeling a little hot under the collar. Placing his hands on top of her wet pussy, Jessa moans, "What else can you do?"

Excited to unleash his sexual arsenal upon her, James spreads her legs open as if parting a pair of curtains and begins feasting on her wetlands. Holding herself open at the knees, Jessa watches as James's tongue waves and wiggles across her labia, causing the warm filling from her hot pocket to spill over onto the floor. Quick to lick the drip, James doesn't allow a single drop to be wasted. With even more intensity circling around the two, James removes his leather belt in one fell swoop, fastening it around Jessa's breasts as he continues enjoying his dessert.

"SHE CHURNS OUT AN ORGASMIC BLAST BEFORE JAMES REPOSITIONS HER INTO STANDING DOGGIE"

Now with cups flying off the countertop and Jessa's red toenails curling into perfect ballerina points, she churns out an orgasmic blast before James repositions her into standing doggie. Placing his hands around his neck, James goes in for the kill, treating Jessa to much more meat than she bargained for. What a beginning!

Feeling the need to school Alektra in the art of dating, James sets up a lesson plan for her to follow and creates an online dating profile that is sure to turn her world around. Whilst in the middle of their ridiculous tutorial, James enquires about Alektra's previous relationship. Embarrassed to retell the tale of her naughty nightmare, Alektra finally gives in and a flashback sequence ensues.

Now we find ourselves in a bedroom where Tommy Gunn is spreading out handfuls of rose petals over a sturdy massage table and lighting candles. Walking in to this lover's paradise, Alektra is overcome with joy by the seduction scene her man has created especially for her. "I thought we could start out our

“SHE SUCKS COCK LIKE A NYMPHO, SMACKING HIS BALLS ON HER FACE”

evening with a magic massage,” Tommy smiles, placing his amore on the table, face down.

With her succulent body spread out before him like a Las Vegas buffet, Tommy can’t wait to get a mouthful of her delicious delicacies. Before moving in for his first sampling of rump roast, Tommy marinates her perfect skin with warm beads of almond oil. Now glistening and wet with natural and synthetic oils, Alektra sighs, “Take me, I’m yours!”

Turning into the proverbial male octopus before our very eyes, Tommy’s tentacles begin touching every inch of Alektra’s angelic body; squeezing her tits, fingering her pussy, yanking her nipples and spreading her legs. Now with a noticeable wet spot dotting the white sheet below her, Alektra leans to the side and yanks out Tommy’s gun. Slamming it to the back of her throat, Alektra begins sucking cock like a dick-hungry nympho, smacking his balls across her face for good measure. Impaling his big hands into her head of black hair, Tommy tries controlling her mouth movements, watching her pink tongue curve around his meaty bone like a taco shell.

Later, Alektra takes the lead by leaping on his lap in reverse cowgirl position. Spiraling her pelvis like Elvis, Alektra works her hips, churning his cock cream into butter. After a few minutes of solid cock grinding, Tommy takes control from underneath, pounding them both to pop.

After their romantic sex session concludes, Tommy reemerges into their living room wearing an identical dress to hers. Shocked and unable to speak, Alektra stands with her mouth flung open. Responding to her display, Tommy barks, “Awkward! Someone is going

> **“PRINCE FUCKS KAYLEE ALL AROUND THE ROOM, TOSSING HER ABOUT AS IF SHE WAS A RAG DOLL”**

to have to change and it ain’t going to be me!”

After some heavy coaxing from James, Alektra finally agrees to go on an online date with Ryan McClane. Two minutes into their swanky dinner date, it becomes quite obvious that Ryan is a total sex pervert who has an insatiable penchant for fucking in public restrooms. Totally grossed out, Alektra high tails it out of there.

Although seemingly left high and dry, Ryan soon makes eyes with Christy Mack, their sexy waitress with killer tattoos, a racy attitude and a fat rack to match. Leading her into the bathroom to engage in random acts of mouthwatering, stranger sex, Ryan belts her black skirt around her waist and slams his cock into position in standing doggie. Up for the challenge, Christy thrusts her body back against his, causing him to moan louder than she is.

Fucking like animals around the restroom, Ryan rests Christy on the countertop and continues pounding her pussy hole in missionary position. Screaming and creaming like a banshee, Christy’s hungry clam ingests every inch of Ryan’s rod, later causing the contents of his Roman candle to explode across her pretty face like fireworks!

Down but definitely not out, Alektra chalks this up as a bad experience and is willing to get back on the saddle and try again. This time, when out on another internet date with Mo, she’s thrilled to have found a “great guy”. When she agrees to go back home with him for a nightcap, she’s shocked when his wife, Kaylee Brookshire, saunters down the stairs in search of a torrid three-way. Hanging up her hat for good, Alektra leaves in tears.

Unwilling to allow a solid sexual opportunity to go to waste, Kaylee calls on Prince Yahshua, a hot chocolate stud she’s been ravaging upstairs. Deciding to call it a night, Mo leaves and allows the Prince to penetrate his wife. Climbing atop his muscular body in a sexy blue nighty, Kaylee plants her pussy down on his mouth. Slurping with utter pleasure, Prince takes pride in excavating every inch of her cougar canal, using his tongue to lick up her insides. “Fuck yah,” she moans, grinding her thick hips into the curve of his contoured jaw, until it glistens like melted butter.

Once she’s properly juiced up, Prince rests her on her back and goes poking around her pussy in missionary position. With kneepads already fastened around both of his knees, we can tell that Kaylee is about to be fucked up! Never one to disappoint in the sexual department, Prince fucks Kaylee all around the living room, tossing her about as if she were a rag doll despite the fact that she is a full-figured woman. With rabid intensity, the two go on to deliver one of the hottest scenes of the production that is made even stronger by the attractive visual effect of their contrasting skin colours.

Although these two look impressive in all arrangements, Kaylee looks the best in cowgirl position, with her fat ass bobbing up and down. As she screams, “Get in there daddy,” Prince sets her up in front of his cock and unleashes a flurry of chocolate bullets across her pearly whites.

Although our time on set ends here, we’re happy to report a fifth scene that has Alektra Blue being ass stuffed by James Deen. The only thing that is not certain is if their act of sexual debauchery stems from another one of James’s lustful lessons, is a case of true love, or is another one of Alektra’s Wicked fantasies. Guess you’re going to have to tune in to find out if our forlorn lover makes the grade.

BARBARA

If there's a more inviting bum and box combo than Barbara's in this issue, please let us know. This girl has a rear end that just begs you to chance your arm and find out if she's up for backdoor play.

"I am," she reveals, "but not until you've pleasured my pussy first. Make me cum, then use my juices to lube up your cock for my ass!"

Invitation extended...

MELANIE

MELANIE

If you don't know who Melanie Memphis is then, trust us, you'll have a nice time finding out. Not only is she as pretty as a picture and absolutely charming, but she's a porn star who puts all holes in play, in a big way.

"I don't understand these porn girls who don't do everything," she says. "For me, to love sex is to love all aspects of it. If you don't like being fucked in the arse, then the man isn't doing it right, as far as I'm concerned!"

MELANIE

To those who don't know of Nikki Delano, could you please describe your porn 'brand'?
I've been branded as a curvy, petite Latina goddess who has accomplished multiple sectors in life, not just in the entertainment industry. I have become a household name and I'm associated with feature dancing, mainstream, adult and entrepreneurism, along with being a college graduate.

What is your heritage?
I am a mix of Colombian, Puerto Rican and Italian.

What were you like growing up?
Growing up, I was a very shy and introverted child. I was always a teachers pet in school, you could call me an over-achiever. I worked hard to always be on the honour roll, participated in extracurricular activities and did gymnastics.

We hear you're a bit of a smart cookie; could you please run through your qualifications (if only to prove that not all beautiful adult stars are bimbos!)?
I graduated John Jay College of Criminal Justice in New York City with a Bachelors of Arts in Forensic Psychology. I also have a double minor, one in Addiction Studies and the other in Criminology.

What were you doing immediately before and what made you decide to embark on a career in porn?
Prior to getting into the adult entertainment business, I had just graduated college and was working for Bank of America in New York.

Do you get job satisfaction?
I enjoy being in the industry. It's opened the doors to so many opportunities, and I have been fortunate to network and meet so many amazing people.

What has been your worst non-adult job?
Working at Duane Reade for a week. If you're unfamiliar with it, it's a pharmacy chain located on the East Coast.

Were you nervous your first time in front of the camera?
The first time in front of the camera, I was extremely nervous. I had no clue what I was getting myself into. It was one of the most nerve-wracking experiences I've ever encountered. I was also worried my family could find out and shun me.

Have you done any interesting shoots recently?
Recently, I've done some interesting shoots involving fetish work. I always thought these types of scenes were niches and would never in a million years sell on the internet, but they do, like swallowing water, panty worship, brat videos, fake cock videos, etc.

Were you sexually active from a young age?
I was always a good girl, growing up. I never got involved in anything sexually explicit until I was 16, when I had sex for the first time.

What have you learned about sex and yourself from your adult career so far?
So far, I've learned that sex is an art. I believe sex is a beautiful experience that can be experienced with a man and/or woman. I've also learned different positions and ways to please my partner, and it's allowed me to be the kinkiest I've been in my life.

What type of scenes do you enjoy the most?
I enjoy girl/girl scenes. Of course, I enjoy working with men, but working with women is a different kind of experience. Having sex with women is more of a very soft, passionate and sensual experience. I'm able to use the female body as a map and figure out all of a girl's pleasure points.

NIKKI SEXX!

She was nominated in the AVN Awards as Unsung Starlet of the Year for 2014, so we're going to sing all about the gorgeous Nikki Delano. She hooks up with Tam Noon and talks about being a Catholic porn star, a brainbox and why British studs are the best...

> **"SEX IS AN ART. I BELIEVE IT'S A BEAUTIFUL EXPERIENCE WITH MAN OR WOMAN"**

And least?
My least favourite scenes involve being a sub, because I love dominating.

What's your favourite sexual act?
It's intercourse with a man — I love passionate, sensual and erotic intercourse with a man where we're extremely into each other, and the sex is explosive.

Is there anything that you've yet to try, sexually (personally or professionally)?
Yes, I haven't done double penetration, nor gangbangs or blowbangs.

Is there anything you wouldn't do on film?
I would never do degrading videos on camera, like facial abuse. Those types of scenes really undervalue the female performer.

Have you ever worked in the UK?
Yes I've worked for Bluebird and Playboy UK.

We know you've worked with Danny Mountain – how do the attitudes of British studs compare to Americans'?
British men are so different to American men. The British are so much more passionate and loving in the scenes; they love to worship the female body, and kiss and make the women feel adored. American performers are great, also, but most of the men who win the Male Performer of the Year in the U.S. awards shows are foreign, if you haven't noticed.

Who, in your opinion, is the best shag in porn?
I loved working with Missy Martinez — she was my first on-camera experience.

Have you always been comfortable with your body?
Yes. I've always been uninhibited, and nudity is second nature to me. We're born naked, so there's nothing wrong with it.

Had you done anal in your personal life before doing it on-screen?
Yes, but only a handful of times.

What is good sex?
Good sex is when you orgasm multiple times, you're drenched in sweat, and once the romp is over, you're

"I'M GOOD AT RIDING THE PENIS. I HAVE GREAT STAMINA AND CAN RIDE VERY HARD AND FAST!"

craving it again 10 minutes later.

What do you think you're best at sexually?
Definitely cowgirl. I'm good at riding the penis. I have great stamina and I can ride extremely hard and fast… At least, that's what partners tell me.

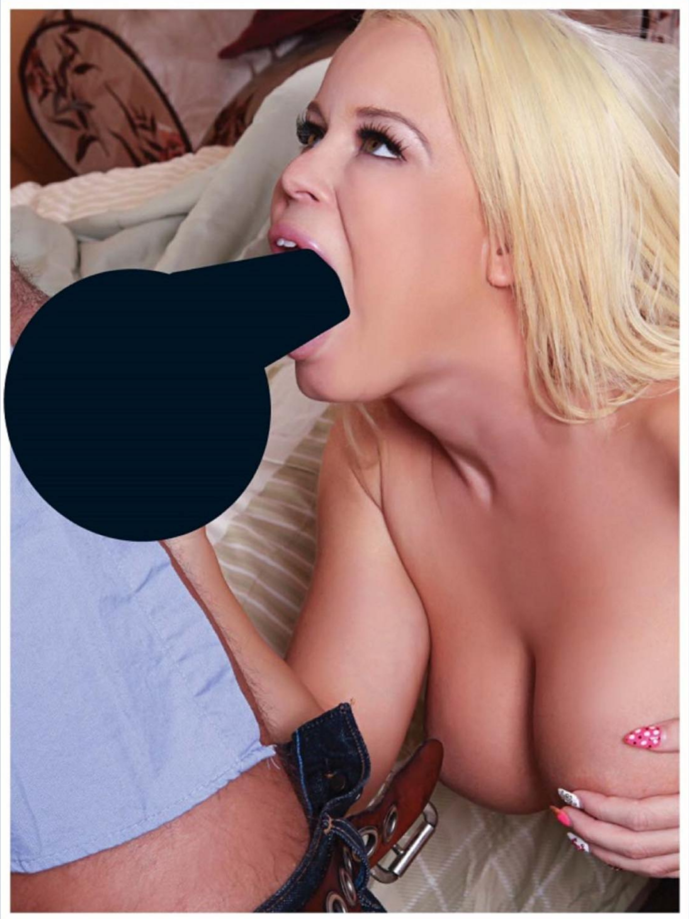
Do you enjoy masturbating?
I enjoy masturbating but nothing beats the real thing.

Favourite sex toy?
The Hitachi Magic Wand. I think it's the staple toy for all women.

Do you have a particularly sensitive body part?
Yes, my inner thighs. Once you start caressing my inner thighs, I get weak in the knees, and the rest is history.

What gets you hot 'n' bothered?
Kissing gets me all hot and bothered. I love to kiss — it's my biggest turn on.

And what turns you off?
My turn offs are lack of hygiene and dishonesty.



Are you bisexual?
Yes, I am bisexual. I'm a lover of penis and vagina.

What do you go for in a guy, or a girl? We hear you're into muscles, so are looks important to you?
Looks are not entirely important to me, but I like a man that has similar interests as I do. I like a man who works out, eats healthy, and lives a healthy lifestyle.

What's the largest number of blokes you've fucked at one time?
Only two.

Honestly now, does size matter?
Size doesn't matter as long as the man knows how to use his penis. Like they say, it's not the size of the boat, but the motion of the ocean.

Do you like your sex romantic or rough?
This is a tricky question. I have different moods, which call for different kinds of sex.

Gonzo or glossy feature?
Gonzo, I like it 'wham bam thank you ma'am'.

Do you watch porn at home, and do you have a fave flick?
Occasionally, I do watch porn at home. I like watching the girl/girl strap-on pornos.
I totally love to see a girl dick down another girl with a strap-on. It's a total turn-on.

How old were you when you saw your first adult movie?
I was about 17 years old.

Is there anyone you'd like to work with, that you haven't yet?
Yes, Bonnie Rotten. She's such a cutie with an explosive sexual appetite.

Which studio would you say is your favourite to work for and why?
I love working for Penthouse. There scenes are very sexual, sensual and artistically beautiful. I really love the glamour side of porn.

What has been the most enjoyable job you've had so far in your adult career?
It was working for Penthouse with one of my favourite Latin girls, Lisa Daniels.

You starred in a XXX parody of (American Spanish-language) entertainment show Gordo y la Flaca; could you tell us a bit about it, please?
I had a blast going on the show and meeting the hosts, el Gordo y la flaca. I watched them growing up as a child, and to actually go on the show really made me feel accomplished.

Do you have plans to do any more mainstream work?
Yes I'm constantly working on new projects, and will continue working in both sectors of the entertainment industry.

NIKKI DELANO

"I WORE THIS BRA AND IT MADE MY BOOBS SWELL UP TO THE SIZE OF GIANT BALLOONS. IT WAS COOL!"

We were hugely impressed to learn you were the voice of one of the strippers in GTA V – are you a fan of the game, or games in general?
Yes, it was very exciting to be a part of *GTA V*, and I'm absolutely a fan of the game. I love video games, even though I find it hard to find time to play them.

Do you enjoy doing signings/expos?
I absolutely love doing expos and signings, because I actually get to meet all of my really devoted fans – the fans make us who we are – and I love to see the smiles on their faces.

Are you friends with any of the girls outside of work?
Yes, but I also have friends outside of the adult industry. I have friendships that I've maintained through the years from high school, college and past jobs.

Would you date a fan?
Yes, I would if we clicked and the chemistry was right.

What is the weirdest, funniest or craziest thing a fan has done for or to you?
The craziest thing a fan has done for me was travel across the country just to be at an event. That really shows dedication, and I love it.

Do you have any funny on-set stories you can share with our readers?
I was shot for this fetish company where I wore this bra and it made my boobs swell up to the side of giant balloons — it was super-duper cool!

Who is your dream fuck?
My dream fuck would be Stone Cold Steve Austin – I love wrestling, and he's one of my childhood favourites.

Do you like to have sex to music?
I love to listen to music while having sex. My favourite music would have to be Latin Reggaeton, because it's raunchy and sexy.

Is it easy to make you cum? What's the best way to get you off?
Actually, it's not as I have such high stamina. I have to have sex for hours to cum.

Do you prefer being blonde or brunette?
I'm a natural redhead, so I would pick my red hair as my favourite.

What do you do with yourself, when you're not at work?
I'm into working out. Anything physical, whether it's hiking, running or sports, you can count me in.

Do you have any guilty pleasures?
Cold Stone Cookie Dough Ice Cream!

Can you tell us something about yourself that not even your hardcore fans would know?
I'm a homebody, and I'd rather be home relaxing, not out partying.

What do you see on the horizon for?
There is so much more to happen for me. I want Nikki Delano to be a massive corporation.

As a professional on the subject, do you have any sex tips for our readers?
In a relationship, switching things up and making sex interesting is important. Relationships need that passion and fire to keep going, so always look for ways to please your partner.

And any advice for new girls reading this?
Make sure you find an agent who is interested in career longevity.

Do you have a way of your fans getting in touch?
My fans can find me on twitter @ *nikkidelano*, on Instagram at *Instagram.com/nikkidelano#*, at *Facebook.com/therealnikkidelano* and Tumblr at *Sextalkwithnikkidelano.tumblr.com*.

And finally, do you have anything you'd like to promote?
You guys can check out my official members-only website, with all exclusive content, at *Nikkidelano.com*. I'll also be announcing more feature dancing dates in the US and of course, there will be new scenes coming out on the internet and DVDs. xxx

THE GREEN BONE!

Who better to remake a legendary porn title than scud auteur Paul Thomas? We join him, Vivid and a star studded cast on set as Brooklyn Lee steps into the late, great Marilyn Chambers' shoes...

The New Behind the Green Door

When one door closes, another opens.
behind the green door

Starring: Brooklyn Lee, Dana DeArmond, Ash Hollywood, Penny Pax, Brandy Aniston, Chanel Preston, Bailey Blue, Mia Lelani, Chastity Lynn, Presley Hart, James Deen, Richie Calhoun, Steven St. Croix, Herschel Savage, Nat Turnher, Prince Yahshua, Jon Jon, Michael Vegas, Eric Swiss, Karlo Karrera, Others.

Directed By: Paul Thomas.

Available From: Vivid.

A relatively unknown starlet before *Behind the Green Door*'s release, Marilyn Chambers became a household name and one of the most beloved starlets of all time after its release in 1972. Considered to have launched the 'porno chic' boom, *Behind the Green Door* is the first feature-length hardcore film widely released in the United States and is likely to be the first to have displayed interracial sex.

In the story, Marilyn Chambers is kidnapped and taken to a sex theatre where she performs sexual acts for a zealous crowd of partygoers. Aroused by her girl-next-door charm and sexual acumen, the audience gets aroused, engaging in sex with one another. With several well-covered pop shots, Marilyn is eventually taken through the infamous green door where she has sex with a trucker.

Achieving a nationwide theatrical release, the movie has made millions, making it one of the biggest box office successes of the 70's, continuing to break ground today. Still a premiere landmark production, *Behind the Green Door* helped give rise to our multi-billion dollar porn industry.

Today, over forty years after its initial release, Vivid, along with award-winning director Paul Thomas, have joined forces to remake this iconic classic from the Golden Age of Porn by developing *The New Behind the Green Door*. In this ambitious rendition, the lead character, Hope, a broken woman, goes in search of her birth mother, while taking us along on her erotic journey through self and sexual discovery. Earning the coveted starring roles, Brooklyn Lee and James Deen won out over lots of porn hopefuls, under the watchful eye of Vivid executives and McKenna Taylor, the daughter of the late Marilyn Chambers who had this to say, "I was very close to my mother and will always be proud of her. It's amazing to see what started my mother's legacy come to life again and to have a new generation be introduced to it through this movie."

Completely thrilled to be given this honour, Brooklyn also gushed, "I was in complete disbelief when I learned that I got the role. I

wanted it so badly and I poured my heart into it. Marilyn Chambers was an all-American beauty and truly one of the greats. I felt deeply honoured to be entrusted with the reboot of the role that essentially defined her career. I can only hope she would be proud."

With epic attention to detail, this production will undoubtedly go down in history as another porn classic, following in the footsteps of its legendary predecessor. With that said, it's time to sit back, relax, and enjoy yourself to the fullest extent, as we are about to take another walk *Behind the New Green Door*!

The movie bursts to life in the opening sequence, whereby Brooklyn Lee and James Deen are opening up their modest Christmas gifts. Pleased to pull out a slender purple vibrator from the attractive wrapping, Brooklyn's eyes light up and she is excited to take her toy out "for a test drive".

With her vibrator held tightly against her swollen clit, Brooklyn slams James's cock into her throat, treating him to a royal cock-sucking session. Holding her mane of thick red hair in fist fists, James snarls, "Let my cock slide into your throat." While she's on the verge of churning out her first climactic release, James pulls out and denies Brooklyn that indelible treat. Angry beyond words, Brooklyn's face turns beet red as she bursts out in frustration. James aptly responds by picking her up by the waist and throwing her down on their bed, continuing his play in spoon position. "Are you going to make me cum?" she cries out, now desperate to give rise to the orgasmic blast that has been building up inside of her.

Whilst in the throes of passion, James encourages Brooklyn to reveal her deepest and darkest sexual fantasy, despite her refusal to go there. "I don't want to hurt you. Don't say I didn't warn you," she eventually says, revealing her secret fuck fantasy to her overbearing lover.

As her pussy continues being pounded to a pulp in a missionary position, Brooklyn describes a kidnapping scenario whereby she is bound, blindfolded and let through a green door, ultimately ravaged by a team of black men. "That's a rape fantasy. That's not normal," James charges in complete disgust, continuing to slip his dick in and out of her hot hole.

"AS ASH LATCHES HER LIPS AROUND HIS SHAFT, PENNY TAKES PLEASURE IN INGESTING HIS BALLS"

"You said you wouldn't judge me," Brooklyn cries out, "So then, give me your example of a normal fantasy."

This leads to a reenactment of James luring Ash Hollywood and Penny Pax, two sexy partygoers, out of a bathroom. Guiding them to the grand study of a house, James positions the two starlets on a table and watches as they begin fondling each other with hand and tongue. Orchestrating their sexual symphony like a trained maestro, James salivates over the beautiful music these blonde bunnies are creating.

Coming up to add his vocal timbre to their work of art, James instructs both bitches to open their legs for him. As their curvaceous legs are spread out before him, James walks past each exposed princess, sniffing his way around their pink pussy folds, and testing out their inner elasticity with his fingers. Unable to choose a favourite, James buries his face in Ash's well-manicured muff, while treating Penny to some finger play. Switching his mouth from hole to hole, James eventually resurfaces with pussy gloss dripping from the circumference of his face. It's hot!

After the girls have been polished off, they fall to their knees, treating James to the same oral expertise bestowed upon them. As Ash latches her red lips around his shaft, Penny, the dirtier bird of the bunch, takes pleasure in ingesting his balls. After several minutes of solid cock, ball and ass sucking commences, James splatters the babes with his goo and encourages them to swap his slop between them. And, like dutiful sluts, they do exactly what they are told!

Next, at a party in the ritzy part of town, Brooklyn and James, two people now incredibly down on their luck, decide to crash it and make the most of the evening full of fine things and plenty of bubbly. As they mingle around the crowd, we see the host, Steven St. Croix, a sadistic playboy who enjoys dispensing the worth of his women, trying to impress Dana DeArmond, by telling her the cost of the wine she is enjoying. "Not everything is about money," she flirts, peeling up the hem of her delicious gold dress to expose the edges of her enticing pussy.

"Oh, sure it is," he boasts,

leading the magnificent woman into a nearby bathroom. Now naked and enjoying a warm shower together, Steven takes his time soaping up Dana's luscious body from head to toe. Holding onto the aqua-tiled wall in standing doggie position, Dana begins twerking for her handsome host, causing the soapsuds to fly off her bouncing ass like tiny white super balls.

"What about love?" Dana charms, as Steven rests her on her hands and knees, stuffing his cock into her pretty mouth. Unable to resist the temptation of his throbbing meat, Dana delivers an excellent blowjob that leaves saliva trailing from her mouth and hands. She also takes some time to stroke his cock with her feet before he dries her off and continues fucking her holes on his leopard covered bed. With plenty of oral, vaginal, and anal sex represented, this is one hell of a scene that is not to be missed!

While still at the party, Brooklyn runs into her old high school chum, Ritchie Calhoun, who in turn introduces her to their gracious host, Steven St. Croix. Completely intrigued by Brooklyn's sex appeal and her beguiling pedigree, Steven strikes up a lucrative deal with Richie that involves Brooklyn. The plan is for Ritchie to lure Brooklyn to Steven's underground fuck club, Caligula Club, which is hidden in the bowels of San Francisco's sexual underground.

While strolling the span of the eccentric sex club, Brooklyn is aroused by all the random acts of sexual debauchery. At one end, there is a woman about to treat her man to a strap-on cock, while another is delivering sensational oral to her male and female companions. Everywhere she looks, people are deep in the throes of consensual sex with strangers, hidden under the disguise of elaborate masks and costuming.

After finding Chanel Preston in a nearby room, Brooklyn is dressed in flowing white lingerie, and is to become the main dish of the evening, a true lady in waiting. Meant to be served up piping hot to a band of three black stallions (Prince Yahshua, Jon Jon and Nat Turnher), Brooklyn undergoes a sexual metamorphosis and walks through the Green Door, delivering one of her strongest sexual performances to date.

"DANA DELIVERS AN EXCELLENT BLOWJOB THAT LEAVES SALIVA TRAILING FROM HER MOUTH AND HANDS"

When she's finished with the studs, Steven St. Croix reveals a remarkable secret about her true identity and a lucrative deal that could change the course of her life. Our only question now is what will Brooklyn choose to do? Grab a copy of this soon to be classic and discover what happens next!

SASHA

Sasha might be a girl who has stayed away from hardcore, but every time she drops by for a photo shoot, she does things with dildoes that make us wish things were different. Every time we give her a bigger one, and every time she makes it disappear into each orifice. This girl can deepthroat and take dick like a champ. We can't show you that, but sometimes it's good to have a bit of mystery...

SASHA

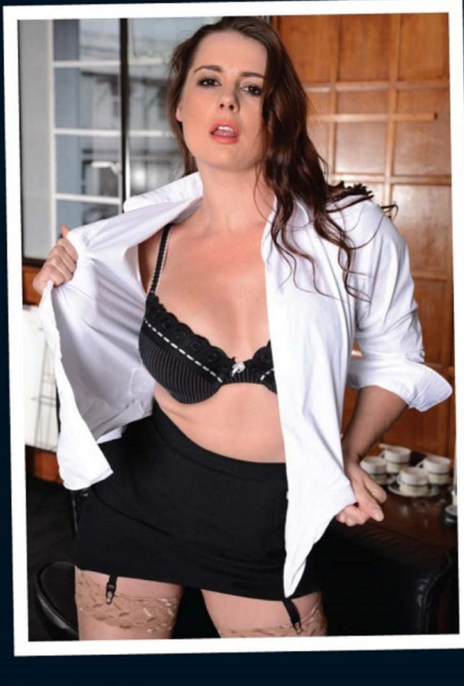
CURRIE ON...

VOTING!

Fuck the Oscars and the Baftas, awards season is all about the Paul Raymond awards. Nominee Karina takes time out to go through the runners and riders...

It has been a long time coming but my many years in the industry have finally paid off! I've only gone and been nominated for MILF of the year! Now what's this, you may ask?

Well, every year, in the Paul Raymond Pussy parlour, the team within nominate their fave babes, boys and adult products for you guys to vote for. Why? Well, we have a yearly awards party! We don't really need an excuse for a party in the porn world but what better way to celebrate the peeps and producers for their contributions. I've made many contributions over the years and taken many contributions on my face too, so hopefully this will help towards getting your vote!



It wouldn't be fair of me to just tell you about my nomination so here's a rundown of all the categories and nominees:

Mayfair covergirl of the year nominees are Emma Green, Tommie Jo, Penny Lee, Jenny Laird, Holly Kent and Danielle Maye. All stunning girls so you may find this one a bit hard on the choosing.

Club International covergirl of the year nominees are Lexi Lowe, Tommie Jo, Jenny Laird, Danielle Maye, Sophia Knight and Anneli. Again stunning girls, but I'm gonna have to be biased towards Sophia on this award cause she's lovely.

Escort Covergirl nominees are Chloe Toy, Carla Mai, Aruba Jade, Brooke Logan, Sophie Parker and Emma Leigh. This is a great line up of babes but my vote goes to Carla Mai for this award, just because she's a darling and really funny too.

Adult film of the year nominations are *Friends With Benefits* by TVX, *Down On Abby* by Harmony, *Hot Chicks Big Fangs* by Digital Playground, *Young Harlots Girls Dorm* by Harmony, *Brit School Brats 2* by Filthy Films and *Benefits Treat* by Pure XXX. This category is a tough one guys! I'm going to go with *Brit School Brats*.

Female performer of the year nominees are Lexi Lowe, Jasmine Jae, Emma Leigh, Lucia Love, Jasmine James, Ava Dalush, Sam Bentley and Jess West. This one's the toughest of all for me to choose because I've had the pleasure of working alongside a few of these beauties! (Note to Ed: Can I pick more than one?)

Male performer of the year nominees are Marc Rose, Fake Taxi driver, Kane Turner, Pascal White, Demetri XXX, Luke Hotrod, Danny D and Ryan Ryder.

> **"WE DON'T NEED AN EXCUSE FOR A PARTY IN PORN BUT WHAT BETTER WAY TO CELEBRATE?"**

Demetri XXX all the way! I really, really enjoyed working with him and a true gentleman as well.

Paul Raymond girl of the year nominees are Jess West, Chloe Toy, Sophia Knight, Danielle Maye, Jenny Laird and Lexi Lowe. This one is another easy vote for me, it's Miss Jess West of course.

Adult product of the year nominations are The Doxy massager, Wevibe 3, Forno TV, Fleshlight Flight, Pulse By Hot Octopus and the Nexus Revo 2. I would have to say in all honesty I'm voting by looks of the product as none of the companies have had the decency to send me any of the toys to play with and I doubt I'd get much fun out of a Fleshlight either, so it's going to be the Wevibe3 that gets my vote on this one.

"I'LL DEFINITELY BE GOING, EVEN IF IT'S TO CRY INTO MY FLUTE OF CHAMPAGNE"

Newcomer of the year nominees are Chloe Toy, Stella Cox, Zara Durose, Carla Mai, Aruba Jade and Chessie Kay. Carla Mai! Carla Mai! Carla Mai!

MILF of the year nominees are Me!!! Tanya Tate, Daisy Rock, Emma Butt, Rebecca More and Jenny Badeau. Well, of course I've voted for myself! I'd be stupid not to.

Readers wife of the year nominees are, Sarah from Hull, Jacqui from West Yorks, Janet from Hull, Lesley from Staffs, Dee from Lancs and Lisa from South London. Dee from Lancs gets my vote here but it's more for geographical reasons than any other, I actually might bump into her in the supermarket!

Photographer of the year nominees are, Holly Randall, Dave Lefant, Iain Thomson, Scott Ward and Darren McCormack. Holly Randall is an amazing photographer and I've had the good fortune of being shot by her out in LA many moons ago so she gets my vote for this award.

You can find out even more information and vote here: *www.magazine.paulraymondxxx/paul-raymond-awards-2014-voting/* with voting closing on the 30th of September. The awards will be held in November and yes you can even come and see your favourite pornstars who will be attending.

I'll definitely be going, even if it's to cry into my flute of champagne when I lose to one of the other MILFs! If you don't want to see me ruin a perfectly good glass of bubbly then I suggest you get a wriggle on and get voting for me and then I can thank you personally at the party!

STRIPTEASER

You can tell from the names Blanka and Vendula that these girls don't hail from these parts. Which is why their local bar is letting them get naked in it. These things are a bit trickier over here. You can't just rock up at a Wetherspoons with two glamour models and start snapping. Europeans are a bit easier going. We'd barely started asking and the manager said, "Yes, please!" Of course, he stayed to watch...

CONFESSIONS

BEEN CAU

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

I suppose it's fitting that when I got caught red-handed – and red-faced – with my hand in my boyfriend's money-jar I was planning to buy a pair of red stilettos. It wasn't theft, just a sneaky payday loan, but he pointed out how rubbish I am at paying back IOUs.

He didn't get angry or upset – he even gave me a couple of extra twenties and said I was welcome to the money if I told him I was taking it. Way to make me feel even more guilty, but it didn't stop me buying the shoes, plus a red bra, knickers, sussies and a slutty red lipstick and nail polish to match.

He got home from an after-work drink with his brother to find me stretched out on the couch, watching porn to keep myself amused and on the boil while I waited for him. I'd resisted the temptation to touch my pussy, so now it was all swollen and throbbing in desperation, and soaking the gusset of my red knickers.

Conor did a double-take then couldn't keep his eyes off me. He seemed to be in a mischievous mood. His brother's Mr Serious-Sensible and has never approved of me, so Conor had told him about my "thieving" ways to wind him up. He'd been all, "Dump her, before she cleans out your bank account", and Conor'd said no, he'd come home and spank my arse, make me think twice about taking so much as a penny from him again. He'd been joking at the time but on the way home, spanking me was all he could think about, and seeing me like I was didn't put him off any. Especially not when I rolled over onto my front, and presented my bum as a tempting target.

"You know your brother's got a massive stick up his arse," I said.

"Have some respect," said Conor.

"He's such a boring bastard…" I said – then yelped as he laid a slap on my arse. The back of my red panties was just a thong disappearing between my cheeks, so it was skin on skin.

Conor backed off, a bit shocked to see he'd left a big pink handprint on my bum. I just licked my lips and said, "Call that a spanking?" Part of me felt I still needed to be punished for taking his cash. I laid over his lap and said he could slap my arse as hard as he liked, even if I begged him for mercy – but if I said a safeword, "tits", he'd stop immediately.

I didn't know at the time you're meant to start softly, but that happened naturally as Conor was still a bit scared of hurting me. Even when I said "Harder!" it didn't make much difference, so I played dirty. I said if this was his idea of punishment, maybe I should take more of his money, treat myself to some designer undies – and wear them out clubbing and act like a slapper. Maybe pick up some random bloke and shag him in a back alley – then let his mates have a go on me…

This got him riled up and spanking me properly – and it got him hard too. I wriggled against the bulge in his trousers, kicking my legs. My pussy was sopping wet now, soaking my knickers, though so far Conor hadn't felt between my legs. I was ready to beg him to do that, but instead I chose to torment myself and let him decide when. Not that I was done with the wind-ups.

Now I really went for it, telling him I was with the wrong brother. That Mr Stick-Up-The-Arse wouldn't be scared to take his hand to my bum, good and hard, sometimes even when I'd done nothing bad, just to keep me in line. They've always been competitive so I knew that would hit a nerve, and sure enough, Conor walloped my cheeks so hard he probably felt it in his own dick.

"HE PULLED HIS COCK OUT, ALL HUGE, PURPLE AND DRIPPING AT THE TIP, THEN GRABBED ME BY THE HAIR AND PULLED MY MOUTH DOWN ON IT. THEN HE STARTED TO FUCK MY FACE"

Suddenly he stopped, clenching his fist so his fingertips dug into my bum cheek, like he was having to squeeze a stress-ball to calm down. I wondered if I'd overstepped the mark, especially when he told me to get up off his lap. As I stood before him, he said he'd give me a proper punishment if I agreed I deserved it – I said I did – then told me to strip off and kneel down.

He pulled his cock out, all huge and purple and dripping at the tip, then grabbed me by my hair – not painfully but quite forcefully – and pulled my mouth down on it. He said that now I couldn't say the safeword, I'd have to slap my tits and pull on my nipples as a signal for him to stop. Then he started to fuck my face.

He knew I could deep throat – I'd done it loads before – so I took a few strokes

GHT STEALING!

"MY ARSE WAS TIGHT AND TWITCHING AROUND HIS SHAFT, MY CUNT JUICES OOZING ALL OVER HIS BALLS WHEN HE PUSHED IN DEEP"

down to the root. Then he pulled my head back so his cock slid all the way out. He made me look at it – springing up from his crotch, all wet with spit and streaked with my slutty red lipstick – then he pulled my face down again and told me I'd better blow him properly.

He didn't fuck as deep this time, but reached down to tweak my nipples if he felt I wasn't giving him the suction he needed. I squealed around it, cheeks sore from the effort and salty-tasting spit dribbling out of the corners of my mouth. But no way was I giving up – instead, I massaged his shaft and balls, bringing him closer to a cum.

Too close for his liking, obviously – another pull on my hair forced me to release him. He rubbed his cock over my face then squeezed the end, under his crown, to help him hold back from shooting his load. Then he told me to bend over the footstool, so he could, "give my arse some real punishment".

Now I was nervous. I knew what he had in mind – especially when he left the room and came back to wave a tube of lube in front of my face.

"Remember," he said, "All you've got to say is 'tits'." But I think we both knew I wouldn't. He kept me in suspense for so long, squirting lube all down my crack, then working it into my arsehole. Not once did he touch my pussy, which counted as a punishment in my book, but after what seemed like an hour he was working three fingers in and out of my pucker. That's when he reached down and gave my clit a stroke – just teasing at first, as he pulled his fingers out, then harder, distracting me slightly as he replaced them with the tip of his cock, although I felt him push in every inch of it, slowly.

I'd never been that much into anal and I don't know what was different this time – maybe the fact this wasn't a half-drunk attempt, or that I didn't think I was the one doing him a favour. I believed I deserved to take this and he deserved to give it to me. But as his cock sank deeper and then started pumping in and out, his fingers keeping me hot, the pleasure glowed and shimmered through me.

Now he told me to play with myself, to use my own fingers, and I reached down to my swollen nub, shaking as I rolled it between them. He was grabbing my hips now, fucking me slow and deep. I kept on telling him to do me harder and faster, but while he was the one to set the pace, he didn't totally ignore me.

Whether he was doing it to please me or just to please himself I'm not sure, but soon he was fucking me just like he'd screw my pussy from the rear. My arse was tight and twitching around his shaft, my cunt juices oozing all over his balls when he pushed in deep, and before I knew it I was cumming hard. I usually get a slow build-up and know when I'm close, but this time it just seemed to come out of nowhere.

I knew that Conor wouldn't last long after that and sure enough, I felt a hot explosion in my arsehole. He pushed in deep then pulled out slowly so I felt the pulses of his spunking dick against my ring, and then he worked the last drops into the sizzling-hot cheeks of my spanked arse. After a shower, we went through to the bedroom and he said he was going to give me the final part of my punishment – making me sleep on a blanket on the floor while he wanked off over porn. "Tits," I said. He looked a bit puzzled, and I said, "Tits – safeword. Time to stop." No matter how bad I am, I won't be deprived of his hard cock – or let him deprive himself of my wet, sucking pussy!

FUJIFILM X-T1

£1,099+

It's been a while since Fuji have plucked up the courage to have a go at a full DSLR camera, after being bullied into submission by Canon and Nikon. However, now that everyone has an equivalent to their cheaper range on their phone, they've obviously thought it's now or never. Also, they've wisely appealed to the natural pretentiousness of most amateur photographers and made the appearance distinctly retro, so you can shoot that amazing angle of a Gaudi building with confidence of also looking like you 'know what you're doing'. It's a competitive world at this level though and people aren't choosing this equipment on looks alone. Therefore additions like the eye-level viewfinder and the fact that it's a lot less unwieldy than others in this price range could hint that Fuji have found the right formula here.

Pros: Tilting real panel LCD. Size.
Cons: Controls are a little cramped.

NIKON D3300

Due to their part-dominance of the market, Nikon have the luxury to play with 'price-points' and probably have a meeting a week about how they can get housewives from middle-England to buy a high-end camera that their unimaginative friends subsequently all buy too. Therefore, they've made this DSLR a touch smaller and lighter and have even cleverly thought to combat this loss of size by giving it a retractable lens. Most crucially it's also capable of taking some pretty impressive pictures, thanks to its 24.3MP CMOS sensor which allows easy cropping with no loss of quality. Even the video performs well for a camera half the price of many DSLRs, however you just know that most people in that 'entry-level' price range will still use it in auto-mode.

Pros: Great stills. Compact lens.
Cons: No touch or flip-screen. Lack of fine controls.

OPPO FIND 7

Oppo you say? Yes, it is confusing when a brand that isn't on our daily radar comes with a phone so amazing that we have to take notice, but this is exactly what the Find 7 is. Firstly it has a truly massive 5.5 inch screen that is miles ahead of its rivals in terms of performance and the kind of pixel density that would induce a wet dream in a tech geek. Again with the camera they've upped the ante giving it the ability to shoot 50MP photos in Super Zoom mode where 10 consecutive shots taken at speed are stitched together. The screen is even tucked away behind Gorilla Glass 3 and has the kind of sensitivity that allows it even to be used with gloves or when it has suffered from some 'liquid spillage', making it an all round iPhone challenger, even down to the gesture options. The pretty cheap price may even be the clincher.

Pros: Massive screen. Price.
Cons: A little heavy.

SONY KD-65X9005A

Just when you thought massive TVs had been resigned to the homes of wide-boy builders or the walls of any Henry's bar around the nation, the recent releases from Sony are set to test this theory by bringing in 4K resolution, aka Ultra HD, to our living rooms. A good place to start is always with the design and Sony again have applied their years of experience to this and the open speakers on the front body really add to the "look how flash my TV is" selling point. Not to mention, of course, the immense depth that all those extra pixels offer, amazing when viewing the detail in the latest *Transformers* movie, not so amazing of course, due to its unforgiving clarity, when you and your girlfriend are viewing your own mucky videos you shot the night before. In general one for the serious AV enthusiast, though, unless you just have a load of disposable income and want to show off.

Pros: Sound and picture quality.
Cons: Some current compatibility issues. Expensive.

£6000 **sony.co.uk**

SONY XPERIA Z2

It seems like Sony have set out to create the kind of smartphone that for once won't be on the receiving end of a sniffy review about how it's had to compromise something in order to achieve the beauty of that 5.2 inch screen. Instead, camera, sound and even that all important battery life are all as high-end as you could hope, making this upgrade from the only recently released Z1, a leap that no one was expecting. Plus, it seems all viewing angle issues have been sorted and the movement of the speakers to the front of the phone has it rivalling the market leader HTC for audio quality. Throw in the fact that the camera on this phone is as near as a full photography experience as you're likely to get, and the beautiful design, and it's really hard to find a fault with this latest release, that is if you're happy to be getting a fairly huge phone out in public!

Pros: Screen. Water resistant. Camera.
Cons: Expensive. Storage limitations.

BRIT SCHOOL BRATS 2

(Filly Films)

I'm not sure if the Brit School is in direct competition with the Young Harlots Academy, but the existence of both can only drive up standards, sex-wise. It's all-girl again as Tanya Tate runs the rule over a game bunch of fillies that include Lexi Lowe, Franki Rider, Sam Bentley, Roxy Mendez and Delilah Dash. There are stockings and school ties aplenty as the Sapphic action unfolds, and everyone graduates with honours. And a face full of juice, obviously…

9/10

Down On Abby… Tales From Bottomley Manor is director Gazzman's take on a certain overrated TV show, and takes the brave decision of casting Ben Dover in a role where acting is required. We're not sure that pays off, but elsewhere this is a triumph, as Lexi Lowe headlines and fucks up a storm. Her double-dicked threeway is an obvious highlight, but there's also sterling support from Cathy Leigh, Emma Leigh, Jasmine Jae, Ava Dalush, Jasmine James and Jess West in a Brit classic that sees the girls taking it both upstairs and downstairs.

JAMES DEEN IS the PORNOGRAPHER

Wicked

James Deen has slotted back into his hardcore work after starring in mainstream flop *The Canyons*. And why not – would you rather star in a critically mauled load of rubbish, or get your dick wet all day every day and get paid for the honour? It's a plot-heavy feature that also, happily, involves stacks of sex. Kimberly Kane and Katie Summers would be the main attractions, but they're outshone by searing MILF Nicki Hunter and electric return to the screen of redhead legend Kylie Ireland. Who, by the way, still looks an amazing shag.

DP DIGITAL PLAYGROUND

LOLLIPOP
directed by JAXODEMA

Jaxodema is the director as yet another Digital Playground feature arrives that allows us to simultaneously ignore the tedious plot and focus closely on the carnal occurrences that propel it along. Jesse Jane is the main attraction, although you're going to be hard pressed to hang onto the white stuff during Riley Reed's scene. If that girl was any hotter, she'd be a load of lava spewing out of Etna. Which was pretty much what our cocks were like.

WEB NEWS

Trawling the net for filth...

The hottest XXX from the world wide web

WWW.ANILOS.COM

It might sound like a bum sex site, but *Anilos.com* is far from that. It's actually a site dedicated to the unique beauty of the older model, boasting over 330 mature models and full of damn decent exclusive content. Last time we clocked in, there were 161,741 high-res images and over 20,000 minutes of video ready for you to enjoy – which will kill both your hard drive, your time and your balls. There's a bit of hardcore, but it's mostly solo masturbation, well presented, well lit and well shot. You might recognise a few mainstream porn stars, but many of the top-rated women on there are new to us. With daily updates, there's lot to recommend about this site.

SITE OF THE MONTH!

WWW.THELIFEEROTIC.COM

Online since 2009, and still updating regularly, The Life Erotic is one classy site. It's the work of photographer Walter Bosque, whose work is moody, artistic and beautifully lit. Many girls are straight from the pages of your favourite adult magazines, but shot differently, and with 4 photo and 2 video updates per week, this isn't a lazy site.

What it is, like Anilos, is a hard drive sapper. With 1080p video as standard, there are some big-ass file sizes here, but we reckon the solo stroke vids of incredible girls getting their fingers very, very sticky are well worth the price and the download time.

WWW.METAPHYSEX.COM

While this isn't the kind of site we usually cover here at *Club DVD*, sometimes it's nice to shine a light on the notably different destinations out there. Metaphysex is entirely illustrated, and fine work it is too.

This is illustration that veers from complex and arty to explicit and sexy. Of course, it has a limited appeal and won't be to all tastes – and as it's custom material, there isn't that much of it and it isn't updated as frequently as your standard scud site. But it promises something new, and delivers on that promise.

FUN Bags!

The joke's on you, Jack...

What's the difference between a terrorist and a woman on her period? You can try to negotiate with a terrorist.

A drunk staggers into a church and sits down in a confessional, but says nothing. The bewildered priest coughs to attract his attention, but still the man remains silent. Finally the priest knocks on the wall a few times in an attempt to get the man to begin his confession. The drunk responds: "No use you knock-in', mate. There's no paper in this one either."

What's warm and soft when you go to sleep, but hard and stiff when you wake up? Vomit.

A man was out for a stroll one day, when he found an old-looking bottle lying on the path. Curious as to what it contained, the man rubbed the dusty label and was surprised to see a genie appear, with a puff of smoke. "As you have released me from my confines, I will grant you two wishes! Use them wisely." The genie boomed. The man thought for a while before announcing, "I know what I want! Firstly, I wish that I was hard all the time and secondly, I wish I could get all the ass I want!" The genie smiled and replied, "Your wish is my command, master!" And with that, he waved his magic wand and, with a puff of smoke, the man turned into a toilet.

Forever with us.
MJ
"HE TOUCHED SO MANY..."

What's the worst thing about being a sperm donor baby? You know for definite that your dad's a wanker.

An older man was walking home from work one day, when he spotted a pair of gent's shoes in a shop window. He's never seen a pair like it and has to buy them immediately. When he gets home, wearing his prized footwear, he asks his wife if she notices anything different about him. She looks him up and down a couple of times, before shaking her head and continuing her chores. Disappointed, he waits until bedtime, when he appears in the bedroom completely naked, except for his shiny new shoes. "Now do you notice anything different about me?" he asks, proudly placing his hands on his hips. Again, his wife looks him up and down, "All I can see is the same useless, limp cock hanging there," she tells him. Getting impatient, he insists, "But look at what my dick's pointing at! I have new shoes!" His wife glances up from her book and snorts, "Well, it's just a shame you didn't buy a new hat..."

A man with leprosy decided to begin working as a male prostitute, given his rather generous manhood. The business was going really well, until it fell apart.

A guy has just boarded a plane ready for take-off, when he realises that the most beautiful woman he has ever seen has the seat next to him. From the moment she sits down and smiles at him he is completely tongue-tied and struggles to find something to say to her. Eventually, he musters up the confidence to strike up a conversation, "So, where are you heading to today?" he begins, politely. She replies, "I'm off to the annual nymphomaniac convention in New York." Unsure if he heard her right, he swallows hard and digs further, "And what do you do?" Flipping her hair back sexily, she tells him, "I try to debunk some of the most popular sexuality myths." Feeling himself harden and discreetly placing a newspaper over his lap, he asks, "And what myths are those?" Locking eyes with him, she goes on, "Well, for example, it's commonly believed that men of African descent are the best endowed, when in actual fact, Spaniards, Italians and Indians are just as likely to be well-built. And it is said that Frenchmen make the best lovers, when statistics show that it's actually predominantly Jewish men." The guy nods, "That sounds very interesting," he responds, trying to figure out how he was going to pull this babe. Just then, the woman exclaims, "I am so sorry! I didn't even ask your name!" The guy grins and holds out his hand, "Hi, I'm Paolo Goldberg."

What do you give a man who has everything? A woman to show him how to use it.

Porno Genres

Six Of The Breast

XXX Genre: **BDSM**

What? Quite a broad term, BDSM covers the spectrum of kink from light spanking, bondage and roleplay to sub/dom worship, asphyxiation and wax play (and more!). In porn terms, BDSM often slips into other genres – it goes hand-in-hand with gonzo, for example – and in recent years latex and PVC have become more commonplace in vanilla titles.

Porn Star Example: Samantha Bentley, Skin Diamond, Daisy Rock, Asa Akira.

Movies: Adam & Eve's *The Truth About O*, featuring Bobbi Starr, follows the adventures of the submissive made famous by the book and films of the 70s. Including rope bondage, restraints, whipping, fucking and suction machines, nipple clamps and hoists, a great script and storyline, plus a stunning cast, this flick was nominated for 7 awards, and ticks every box.

Best Studios: SkinworXXX, Harmony Films, Burning Angel

Any Good Sites? *Kink.com* is one of the best BDSM sites out there; bondage, slave training, watersports, sadism, masochism – as the name suggests, there's pretty much something to quench the kinkiest of thirsts!

XXX Genre: **Reality**

What? Reality porn usually refers to staged scenarios which pose as real-life encounters – often mimicking amateur porn, though it is virtually always professionally made and features professional stars acting naturally and unscripted. A typical set-up is the 'real couples having real sex', which is a particular favourite among British companies.

Porn Star Example: Harmony Hex, Syren Sexton, Angel Dark

Movies: British company Relish do reality porn really well, with movies like *Breast Strokers* (Eva Angelina) and *Fresh Faced Fuckers* (Ree Petra) balancing beautiful girls, believable scenarios and some ridiculously horny sex, to boot.

Best Studios: Naughty America, Killergram, Porn Fidelity

Any Good Sites? *Realitykings.com* might just be the best reality site out there; it's a glossy affair with the hottest porn stars from around the world starring. Catering for fans of any age, size, race or particular sexual act, *Realitykings.com* is everything you could possibly want from a reality site, and more.

XXX Genre: **Gonzo**

What? Influenced by, but not to be mistaken with, amateur porn, gonzo (in either photographic or video form) refers to the person behind the lens being involved somehow in the action, from a first-person viewpoint. Always hardcore, a gonzo scene usually has less of a plot, more fucking and generally tends to last longer than a feature scene.

Porn Star Example: Belladonna, Joanna Angel, Bonnie Rotten, Alicia Rhodes.

Movies: As the considered king of gonzo and founder of Evil Angel, any John Stagliano movie should be a must, but it's the *Buttman* series that has remained synonymous with his name. However, the award-winning *Jack's Playground* series (1-30), from Digital Playground and director Robby D. – along with its spin-off *Jack's POV* – is gonzo at its best, and stars pretty much every hardcore pornstar you can think of!

Best Studios: Shane's World, Jules Jordan Video, Ben Dover, Mercenary Pictures.

Any Good Sites? *Ztod.com* (Zero Tolerance's VOD site) has a great selection of the most extreme hardcore gonzo vids, whether you're looking for creampies, gangbangs or just a bit of BJ POV action, your search will end there.

XXX Genre: **Women's**

What? Women's porn is usually made by women for women, hence the imaginative name! Rather than concentrating simply on the usual acrobatic sex (although that may well be included!), the plot, script and chemistry between the performers is considered just as important. The genre also includes feminist porn, but we're focussing on the couple-friendly stuff here…

Porn Star Example: India Summer, Jana Cova, Penny Pax, Kelle Marie.

Movies: New Sensations' *Jacky St. James' Erotic Stories* series are features written with women in mind; *The Submission of Emma Marx* and *The*

Sexual Liberation of Anna Lee are both well scripted, well made and perfect to watch as a couple. Viv Thomas' *I Dream Of Jo* is lesbo-porn at it's finest, but perhaps Girlfriends Films are the leaders in this genre, and although any of their titles could be classed as 'women's porn', the *Women Seeking Women* series is a classic.

Best Studios: Viv Thomas, Filly Films, Ninn Worx, Dorcel Vision.

Any Good Sites? *Andrewblake.com*. His beautifully shot, erotic films and photography have understandably won numerous awards, and although his work is considered art, it's also pretty frickin' hardcore, too! Although Andrew Blake has fans of both sex around the world, he seems to be able to tap into women's sexual imagination like no other.

XXX Genre: Features

What? Usually big budget, glossy affairs, features are the Hollywood blockbusters of the adult world. As suggested by the genre title, there is generally a feature film type storyline and extensive scripts call for a lot more acting than other genres. With big name stars, impressive special effects, exotic locations and a vast array of wardrobes and props, feature porn has become the biggest commodity of the sex biz.

Porn Star Example: Jesse Jane, Katsuni, Stoya, Riley Steele

Movies: Virtually everything Digital Playground release these days has feature written all over it, but their 2005 hit *Pirates* was not only the most expensive movie ever made at the time, but also won a record-breaking 11 AVN awards. The high production values, awesome special effects, impressive cast – including Carmen Luvana and Teagan Presley – and stunning locations make *Pirates* a must-see before you even get to the shagging!

Best Studios: Vivid, Wicked Pictures, Hustler, New Sensations.

Any Good Sites? Apart from the movie's accompanying mini-site (you can still check out *Pirates 2: Stagnetti's Revenge* at *Pirates2xxx.com*) or the studio's official site, 'feature' sites don't really exist. The website equivalent would probably be *Brazzers.com* or *Twistys.com*, both of which boast some of the glossiest, high-budget online content, and are well worth checking out.

XXX Genre: Amateur

What? Amateur porn, as the title suggests, features non-professional models or performers, who don't get paid for their time or effort – or if they do earn a fee, it is the only work they do within the industry. You may think this means that the only models are mingers but you'd be wrong – some of t 3he hottest girls we've seen pose or perform in their spare time. Seriously!

Porn Star Example: Ruby Reds, Vanda Lust, Tiffany Kohl, Valentina Cross

Movies: Private Films do a great line in amateur movies, our favourite being *Private Castings New Generations 4* – five scenes featuring the prettiest, nubile newbies from Europe. Randy Russian Taissia Shanti takes a huge pork-sword in both holes and gapes like a pro, her slender 35A-25-36 body and delicate features are surely bound to take her career from the amateur to the professional ranks.

Best Studios: Bang Bros, ATK, PornPros, Amateur District

Any Good Sites? The award-winning site, *Abbywinters.com* was established around 13 years ago, and has earned a rep for having the best-looking amateur girls in the biz. The site is constantly updated with new content – usually of ridiculously sexy Australian girls in a selection of solo, lesbian and hardcore scenarios. And not a grotbag in sight!
